Extension to the Bacon Lane 20mph Zone Scheme
(The Highlands and surrounding roads)

PUBLIC CONSULTATION

IMPORTANT – THIS AFFECTS YOU – PLEASE RESPOND
Introduction

The Council are investing Transport for London (TfL) resources into your area to improve road safety by proposing to extend the Whitefriars 20mph zone to include your road. This consultation is your/your family’s opportunity to comment on this scheme.

The roads affected by the scheme include; The Highlands, Argyll Gardens, Gordon Gardens, Kenmore Gardens, Strathmore Gardens and Park Way between Oakleigh Avenue and The Highlands.

The aims of the scheme are to create a 20mph zone which will:

- Reduce the risk of personal injury accidents within the area;
- Improve pedestrian and cycle safety;
- Encourage walking and cycling in the area; and,
- Discourage rat-running through the area.

Vulnerable road users such as pedestrians (particularly children and the elderly), cyclists and motorcyclists are over-represented in road user casualties within the borough. By reducing vehicle speeds to 20mph, specifically in residential areas and near schools, the council believes that not only will casualties be reduced but, more people may be encouraged to cycle or walk as opposed to relying on the car. The full proposals are outlined below and shown on the enclosed plan.

20mph roundels

These are a form of road markings used to remind drivers of the speed limit. They are used where either existing traffic speeds are relatively low or where it is difficult to locate physical traffic calming measures.

Speed cushions

These are a traffic calming feature already located in some roads within the proposed zone, which are narrow enough to allow a wide wheel based vehicle such as a fire engine or ambulance to pass relatively unhindered. A smaller wheelbase vehicle, such as a car, however would have to have at least one set of wheels on some part of the cushion, thereby forcing the driver to reduce their speed.
What about the emergency services – police, fire, ambulance etc?

The emergency services along with other interested parties are consulted individually for their opinion and views on the proposals.

We need your views

Please return your comments on these proposals by **12th August 2016**.

If you are going to make comments to these proposals, the Council would encourage you to submit your response electronically as it is environmentally friendly and helps the council save costs. Please submit your comments by using the questionnaire on-line by visiting [www.harrow.gov.uk/trafficconsultations](http://www.harrow.gov.uk/trafficconsultations) which will direct you to a page containing the survey named Extension to the Bacon Lane 20mph Zone Scheme. You may be asked to register your details before completing the survey.

If you do not have internet access, please complete the enclosed reply form and return it to:

Service Manager – Traffic, Highways and Asset Management
Harrow Council
PO Box 39
Civic Centre
Station Road
Harrow
HA1 2XA

Can I see the proposals in more detail?

A more detailed large-scale plan of the proposals can be viewed at:

Harrow Civic Centre - 4th Floor, Station Road, Harrow  HA1 2XA
(Opening hours – 9am to 5pm, Monday to Friday)

What happens next?

We will consider all the comments returned to us, and if appropriate, modifications may be made to the scheme proposals. It is anticipated that the construction works will be completed by April 2017.

Further information

If you require further clarification or would like to discuss any issues related to the scheme, please contact Johann Alles, at the address below:
